Atlanta, GA - November 21, 2024 - Atlanta-based singer-songwriter Alex Cavanaugh is set to perform at the Breaking Sound Singer-Songwriter Showcase on Thursday, November 21st at 7:00pm at Novel West in West Midtown, Atlanta. Known for his heartfelt lyrics and dynamic, synth-infused rock, Cavanaugh will be bringing an acoustic, intimate set featuring songs from his newest album, *Waves*.

Hosted by Breaking Sound, a platform dedicated to spotlighting emerging talent, this showcase is a must-see for music fans eager to experience raw, up-and-coming artists in an intimate setting. *Waves*—released just last month and currently available in online and vinyl record formats—explores themes of introspection and discovery, with the ocean as a central muse for Cavanaugh's songwriting.
